Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum. Why do we use it? It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here, content here', making it look like readable English. Many desktop publishing packages and web page editors now use Lorem Ipsum as their default model text, and a search for 'lorem ipsum' will uncover many web sites still in their infancy. Various versions have evolved over the years, sometimes by accident, sometimes on purpose (injected humour and the like).

Preferences are only valid for services as approved by and on file with this office, and are generally applied in accordance with the attached chart.

Because each agency in this state is empowered to enter into contracts for professional services, this office does not maintain a central vendor list. Major contracts (estimated value over \$50,000) for consulting, professional/technical, or computer-related services are advertised each Monday in the *State Register* available online at www.mnbookstore.com.

For your information a list of state agencies and contact people who contract for professional services is available on our website at <http://www.mmd.admin.state.mn.us/mn05008.asp>. You may contact them directly to be placed on their solicitation lists.
